Alcohol Emergencies

The University of Central Florida highly encourages students and student organizations to call for medical assistance whenever an individual experiences severe intoxication or serious injury after consuming alcohol. Students and student organizations may be reluctant to call for help for themselves or others due to potential involvement from the UCF Police Department or the Office of Student Conduct. Due to the serious or life-threatening nature of these medical emergencies, the University of Central Florida urges students to contact emergency medical services or the UCF police department if alcohol-related medical emergencies arise. The university’s primary goal is to create a safe environment for its students. Procedures and expectations regarding these incidents have been outlined in the Office of Student Conduct Rules of Conduct Alcoholic Beverages section and the Organizational Rules of Conduct section.
