Florida Assertive Community Treatment (FACT)

352-360-6640

1017 W. Dixie Ave. Leesburg, FL.

http://www.lsbc.net/service_Outpatient.aspx

Services: This program is a psychiatrist-led multi-disciplinary team that wraps support around the individual rather than linking them to resources as in the traditional case management model. The team provides all necessary services, including support, treatment and rehabilitation, 24 hours a day, 7 days a week. FACT serves persons who have had difficulty benefiting from other more traditional forms of treatment. Those individuals with severe and persistent mental illness can learn symptom management techniques to prevent recurrent episodes, which lead to hospitalization and disruption of lives. Ongoing education can be provided in homes and community settings, where learning is direct and where generalization from one setting to another is no longer necessary. *Free of charge*

UCF Marriage & Family Research Institute

<http://seminolechildren.org/index.php/wraparound-seminole.html>

Services: Wraparound Seminole is the service delivery component of the Families And Communities Together in Seminole (FACTS) Initiative, managed by CBC of Central Florida. It is a collaboration of local child serving agencies to support children and youth with intensive emotional, behavioral and mental health challenges. Wraparound forms a support team around a young person and his or her family to help them stay safe, remain together and achieve their goals. Care Coordinators and Family Partners start with strengths and work hand in hand with each youth, family and team to address the needs presented by the family. They also build connections in the community that will provide support long after the family transitions out of formal Wraparound.
